DUTY OF FAIR PRESENTATION

1. Before this insurance contract is entered into, the Insured must make a fair presentation of the risk to the Insurer, in accordance with Section 3 of the Insurance Act 2015. In summary, the Insured must:
 - a. Disclose to the Insurer every material circumstance which the Insured knows or ought to know. Failing that, the Insured must give the Insurer sufficient information to put a prudent insurer on notice that it needs to make further enquiries in order to reveal material circumstances. A matter is material if it would influence the judgement of a prudent insurer as to whether to accept the risk, or the terms of the insurance (including premium);
 - b. Make the disclosure in clause (1)(a) above in a reasonably clear and accessible way; and
 - c. Ensure that every material representation of fact is substantially correct, and that every material representation of expectation or belief is made in good faith.

2. For the purposes of clause (1)(a) above, the Insured is expected to know the following:
 - a. If the Insured is an individual, what is known to the individual and anybody who is responsible for arranging his or her insurance.
 - b. If the Insured is not an individual, what is known to anybody who is part of the Insured's senior management; or anybody who is responsible for arranging the Insured's insurance.
 - c. Whether the Insured is an individual or not, what should reasonably have been revealed by a reasonable search of information available to the Insured. The information may be held within the Insured's organisation, or by any third party (including but not limited to subsidiaries, affiliates, the broker, or any other person who will be covered under the insurance). If the Insured is insuring subsidiaries, affiliates or other parties, the Insurer expects that the Insured will have included them in its enquiries, and that the Insured will inform the Insurer if it has not done so. The reasonable search may be conducted by making enquiries or by any other means.
